THE JACKIE KINSON TRAVELING TROPHY

Starting in March of 1999 our SWASA Spring Trial honors Jackie Kinson. A special traveling trophy, designed by Sandi Case, is presented yearly to our Most Promising Started Australian Shepherd in Jackie's name. Jackie was a very special lady, friend to all who loved dogs and trialing. As a long time treasurer of SWASA and LSASC she kept us on the straight and narrow, mediating our differences and radiating joy in our company. In the years we knew Jackie, illness was slowly stealing her life. Yet she was a vibrant, alive, caring, loving and forgiving person. Her stories and quick wit brightened many a day. We chose to call our March trial the Jackie Kinson Spring Roundup because, somehow, Memorial does not reflect Jackie's spirit. The started class was chosen because these folks and their dogs were Jackie's special delight. And also, because in them, rests our future. This award is presented to the Australian Shepherd with the highest, total, started scores from Saturday and Sunday's trials. Please indicate on your entry form under additional class if you plan to compete for this award.

MOST PROMISING STARTED OTHER BREED

A special award is presented to our Most Promising Started Other Breed. This award is presented to the Other Breed dog with the highest, total, started scores from Saturday and Sunday's trials. Please indicate on your entry form under additional class if you plan to compete for this award.

NOTICE TO EXHIBITORS

This is an ASCA sanctioned event and will be judged and run by the Stockdog Trial rules of the Australian Shepherd Club of America. Dogs should be leashed except when trialing and must be brought into the arena on leash. Entries will be accepted on a first-come basis and must be on the enclosed ASCA entry form. Drawing for run order will be done on the day of the trial and posted. In ASCA all dogs must start trialing in the Started Class. No electrical and/or mechanical training devices are allowed on the trial grounds. Bitches in season run last. Any questions, problems, or conflicts should be brought to the Course Director immediately. The Stockdog Trial Committee is authorized to request that any dog which, in the committee's opinion, represents a hazard to persons, dogs, or property be removed from the premises. Children must be kept under direct supervision of an adult at all times.
