1 General Explanations

1.1 Definition of National Specialty

The "National Specialty" is a show sanctioned by an ASCA affiliate club or a consortium of clubs, which includes the following events: conformation, obedience, agility, rally, junior handling, a stockdog trial, a tracking test, Most Versatile Aussie competition and other events approved by the ASCA Board of Directors.

1.2 Governance

The National Specialty is governed by the ASCA Board of Directors.

1.3 Date of Age Calculation

All competitive events at the National Specialty, except for Junior Handling, have specific age requirements for competing dogs; therefore, the first day of Nationals competition on the National Specialty schedule, usually Friday, will be used as the date for age calculation. The National Specialty is considered one show with multiple competitive events, therefore, using the first Nationals event day will not conflict with existing program rules.

1.4 Pre-Shows/Trials

The host affiliate(s) may choose to offer pre-trials and pre-shows as part of the National Specialty week. If pre-trials and pre-shows are offered, they will be considered part of the Nationals Specialty for the purpose of age calculation, and they will be subject to the same age calculation date as the rest of the National Specialty events.

1.5 Finals

Finals are invitation-only events, and although they are part of the National Specialty week, each Finals is subject to its own additional set of program rules. Please refer to each program rule book for complete rules and regulations pertaining to Finals.

1.6 Site

- A. The site of the ASCA National Specialty will rotate on a yearly basis, based on the following rotation and continuing for ten years: 2020 – Georgia International Horse Park, 2021 – Brazos Expo Center, 2022 – Island Grove Park, 2023 – Deschutes County Fairgrounds, 2024 – Georgia International Horse Park, 2025 – Brazos Expo Center, etc.
- B. The ASCA Board will contract with the facility and will be financially responsible for the facility.

1.7 Entry Clerk

Entries for the ASCA National Specialty will be processed by the Nationals Entry Clerk. The ASCA Board will hire, bond and pay the Nationals Entry Clerk to take the entries for the Nationals Specialty.

1.8 Financial Arrangement

Upon approval of the premium list, an advance of \$5000 will be sent to the Consortium. The Nationals Chairman shall have control of the Nationals bank account.

After paying for the facility and the entry clerk and after subtracting out the \$5000 advance, the Board will forward all money collected from Nationals entries to the Consortium. The consortium will have the right to collect sponsorship money and to sell Nationals merchandise. The entry fees for all ASCA Program Finals will be forwarded to the Club after entries close and all entrants are confirmed.

2 Application

2.1 Dates

The ASCA National Specialty will be held between September 1 and December 1.

2.2 Application

Application to be part of a year's consortium is available from the Executive Secretary. Affiliates may apply to host one or more elements of the National Specialty.

2.3 Determination

The members of the National Specialty Consortium will be determined by the ASCA Board of Directors, up to three (3) years in advance of the event. Applications must be submitted to the Executive Secretary. Incomplete applications will be returned without consideration.

2.4 Notification

The applicant(s) will be notified within 7 days of the Board's decision by the Executive Secretary.

2.5 Agreement

- A. By acceptance of this privilege, the members of the Consortium will agree to comply with and enforce all ASCA Rules, Regulations and directives of the ASCA Board of Directors.
- B. The Affiliates selected to be part of the Consortium will each provide \$500 seed money and sign a consortium agreement, outlining their mutual expectations and obligations.

2.6 Non-ASCA-Sanctioned Events

Any competitive event not sanctioned by ASCA, which the Consortium wishes to hold must be approved by the ASCA Board of Directors.

21 Conclusion

21.1 Communication

Every National Specialty is going to develop its own unique situations, both good and bad, and it is extremely difficult to anticipate everything that might come up. Your Point of Contact(s) and ASCA Board of Directors are here to help in any way possible and it is vital that one person--The National Chairperson--be responsible for the communication between the Show Committee and Board. This avoids duplication and in the interest of clarity, we require that it be handled that way.
