Once this application is received by the Business Office and approved by the Agility Committee, it will be forwarded to the host club. The host club shall coordinate, with the applicant, the classes to be offered to the applicant. As per Chapter 8, Section 2.6 of the Agility Rulebook:

2.6.2.4. When an application is approved, the Apprentice Judge should work with the host club to agree on a schedule of classes they will judge. The schedule of classes offered to the Apprentice Judge should be based on expected number of runs, expected finish time, as well as other factors that could affect the running of the trial.

2.6.2.5. The host club is required, at a minimum, to offer the Apprentice Judge one class of each titling type of class scheduled each day of the trial. For example, for a full slate of titling classes, the Apprentice Judge may be offered all Novice Jumpers, Novice Regular Round 1, and Novice Gamblers if the trial is expected to be large and time is a factor. If the trial is expected to be small and time is not an issue, the host club may offer the Apprentice Judge all classes all weekend. If the club is only offering an afternoon of Jumpers classes, then the Apprentice shall only be offered Jumpers runs.

2.6.2.6. The expected number of runs offered to the Apprentice Judge shall be no less than 100 runs per day of judging in any combination of the above required regular, Gamblers and Jumpers. If the total number of runs for the entire trial, per day, is less than 100 runs, then the Apprentice Judge shall be offered all runs for judging.

**I understand that I am responsible for all expenses that may be incurred in attending the trial. I also understand that I will not receive any monetary compensation from the host club.**
