3:05 EDUCATION COMMITTEE: AGILITY ENTRY FORMS

Motion by Berryessa

I move to accept the following motion from the Education Committee:

Motion by Debbie, second by Kay.

I make a motion that we accept the Agility Explanation Form, Sample Entry Form and Sample Registration Certificate as presented in these attachments, for publication on the ASCA web site, in the Aussie Times, inclusion in New Member packets and wherever else is deemed appropriate. The purpose of these documents is to provide guidance for correctly filling out entry forms.

Yes: Regi, Mary, Debbie, Rhonda, Lisa, Kay, Ann, Chris, Glenda
Non-voting: Brent, Tricia

Approve: Aufox, Berryessa, Davenport, Dolan, Gann, MacRoberts, McNamara
Non-voting: Westerman

Motion is approved.

03:05 EDUCATION COMMITTEE: CONFORMATION/OBEDIENCE/JUNIORS AMENDMENT FINAL RESULTS

Motion by Berryessa

I move to accept the following from the Education Committee:

Motion by Debbie, second by Kay

Motion passes unanimous.

It has come to our attention that we neglected to address the tracking number used in Obedience on the C/O/J Explanation sheet. Because of this, I would like to amend the motion to incorporate the following changes:

As it reads now:
(5) Registration Number: This is the dog’s ASCA registration number, as printed on the ASCA Registration Certificate. If the dog is under 6 months of age and does not yet have an ASCA Registration Certificate, please put "Pending" in this field.

As it would read when changed:
(5) Registration Number: This is the dog’s ASCA registration number, as printed on the ASCA Registration Certificate. If the dog is under 6 months of age and does not yet have an ASCA Registration Certificate, please put "Pending" in this field.

NOTE: Obedience entrants only: If your dog is not an Australian Shepherd, please use the ASCA Tracking Number that was assigned to your dog.
We also discovered a couple of other things that we thought had been changed, but for some reason weren't correct on the final version. My mistake, and I would like to amend the motion with the following changes as well:

(23) Printed Name of Exhibitor: This is the printed name of the person handling the dog. Should have read:
(23) Printed Name of Exhibitor: This is the printed name of the person entering the ring/arena with the dog.

(22) Phone: This is for the use of the host club and/or the ASCA Business Office. Change to read:
(22) Phone: This is a current phone/cell phone number for the use of the host club and/or the ASCA Business Office.

Reason: The first doesn't explain what it is only what it is for.

Approve: Aufox, Berryessa, Davenport, Dolan, Gann, MacRoberts, McNamara Non-voting: Westerman
Motion is approved.

04:02 COMMITTEE PROCEDURE CHANGES

Motion by Berryessa Second by Davenport

I move to add the word "full" between "ASCA® members" in the first sentence under Members 1 of the ASCA® Committee Procedures so that it reads:

Committees shall normally be made up of no more than fifteen (15) ASCA® full members including the Chairperson.

How the sentence currently reads:

Committees shall normally be made up of no more than fifteen (15) ASCA® members including the Chairperson.

Comment: With the advent of the service membership, several clarifications have needed to be made in ASCA® rules on which type of membership is required.

Approve: Aufox, Berryessa, Davenport, Dolan, Gann, MacRoberts, McNamara Non-voting: Westerman
Motion is approved.

04:05 AGILITY COMMITTEE: MOTION 5-2009; 2.3 JUMP HEIGHT TABLES

Motion by: Dolan

I move to approve the following Agility Committee motion:

Motion by Pamela, Second by Ally.

Remove from the Agility Rulebook the parentheses with number following each of the breeds listed in the Breed height exemption list, page 9:

The following dogs `may' jump 4" lower than indicated for their wither height if their breed is listed below:
Am. Staffordshire Terrier (16"), Australian Terrier (12"), Basset Hound (8"), Bulldog (12"), Bull Terrier (12"), Cairn Terrier (8"), Cardigan & Pembroke Welsh Corgi (8"), Cavalier King Charles Spaniel (8"), Clumber Spaniel (12"), Dachshund (8"), Dogue de Bordeaux "DDB" (16"), French Bulldog (8"), Glen of Imaal Terrier (8"), Miniature Bull Terrier (8"), Petite Basset Griffon Vendeen (12"), Pug (8"), Scottish Terrier (8"), Shar-Pei (16"), Skye Terriers (8"), Staffordshire Bull Terrier (12"), Swedish Vallhund (8"), West Highland White Terrier (8").

Effective 06/01/09

and remove the following statement from the rulebook:

Note: The numbers in parentheses indicate the minimum Standard Division jump height these breeds may jump. If a dog measures 11" or under, he is eligible to jump 8". If this dog is one of the breeds listed on the Jump Height Exemption List, he must jump 8", not 4" in the Standard Division. If this same dog is a Veteran, handled by a Veteran, Junior Handler or Disabled Handler, he may jump 4" in the Veterans or Junior Handler Divisions.

Rationale:
It has come to the committee's attention that several breeds have dogs that currently measure under the jump height listed for their breed and therefore are not eligible to take advantage of their breed exemption, when it would be best for the well being and safety of the dog to take the exemption when entering an ASCA Agility Trial.

Yes - Sherry, Sue, Cynthia, Lisa, Andrea, Betty, Pamela, Allison
Non-voting - Janelle, Krystal, Annelise
Motion passes.

Approve: Aufox, Berryessa, Davenport, Dolan, Gann, MacRoberts, McNamara Non-voting: Westerman
Motion is approved.

81:20 HOF RULE CHANGES

Motion by Gann

I move to accept the attached motion from the HOF Committee:
2009-1
Motion made by Anne Shope to Amend the HOF rules to add V-CDX as a qualifying title for HOF, and V-UD as a qualifying title for HOFX. Second: Cheri Preciado

Vote is unanimous to pass

Approve: Aufox, Berryessa, Davenport, Dolan, Gann, MacRoberts, McNamara Non-voting: Westerman
Motion is approved.

99:10 TRACKING COMMITTEE: MOTION 7-09 SECTIONS 1.6.1, 1.6.2 & 1.6.3

Motion by Berryessa

I move we accept the following tracking motion made in response to a BOD directive:

This motion has passed the committee.
Voting in favor of this motion are:
Celeste Kelly, Susan Schroeder, Linda Gray, Margaret Abrahamson, Renea Dahms, Carol McQuade, Jan
Wesen, Maria Kremers, Betty Mueller, Meghan Rosenstengel, Angela Rector, and Becky Parker.
Opposed: none Abstain: none Not voting were Craig Bohren and Anne Hershey.

Motion 7-09

I, Renea Dahms, move, and seconded by Anne Hershey, that we change the following parts of Section 1.6.1, 1.6.2, and 1.6.3, Tracking rules and regulation to read:

Section 1.6. Definition of Terms

1. Immediate Family:
Immediate Family means husband, wife, father, mother, son, daughter, brother, sister, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, or person residing in the same household.

2. Registered Dogs:
As used in these regulations, the term "dog" refers to either sex. Dogs must be 6 months or older in order to compete in a Tracking Test. Tracking test(s) need not be limited to Australian Shepherds only, with the exception of a SPECIALTY, then it shall be for ASCA® registered Australian Shepherds ONLY. Other breeds entered in tracking test(s) sanctioned by ASCA® Affiliate Clubs must abide by ASCA® Rules and Regulations and have an ASCA® tracking number in order to compete in an ASCA® sanctioned tracking trial.

3. Unregistered Dogs
At the discretion of the club, and it must be posted in the test Premium, a dog will be allowed to compete in a trial if the handler applies for an ASCA® tracking number concurrently with the submission of their entry. The handler will be issued a receipt by the Secretary of the test valid for (60) days to allow the business office time to issue the tracking number.

This is how the Tracking rules read now:

Section 1.6. Definition of Terms

1. Immediate Family:
Immediate Family means husband, wife, father, mother, son, daughter, brother, sister, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, or person residing in the same household.

2. Registered Dogs:
As used in these regulations, the term "dog" refers to either sex. All Australian Shepherds must have a registration number or an LEP number in order to compete in ASCA® sanctioned Tracking Trial. All dogs not so registered must have an ASCA® tracking number issued by ASCA® in order to compete in any ASCA® tracking trial.

3. Unregistered Dogs:
All dogs six months or older must have an LEP number, or an ASCA® tracking number in order to compete in an ASCA® sanctioned tracking trial. At the discretion of the club, and it must be posted in the test Premium, a dog will be allowed to compete in a trial if the handler applies for an ASCA® tracking number concurrently with the submission of their entry. The handler will be issued a receipt by the Secretary of the test valid for (60) days to allow the business office time to issue the tracking number.

Approve: Aufox, Berryessa, Davenport, Dolan, Gann, MacRoberts, McNamara Non-voting: Westerman
Motion is approved.
Motion by Berryessa

I move we accept the following tracking motion that has been made in response to the following directive:

ASCA PROGRAM RULE BOOKS - Motion by McNamara, seconded by MacRoberts. I move the Board issue a directive to the program committees that all Rule Books shall stand alone, without reference to any other rulebook. Approve: Aufox, Berryessa, McNamara, Gann, DeChant, Hellmeister and MacRoberts. Absent: Davenport and Stevens.

Motion is approved.

This is being done so blanket rules that used to be covered in the “Show and Trial Rules”, will be carried into each Program Rulebook. The renaming of this Book to be the “Conformation Rules” resulted in many rules being dropped from each of the other ASCA programs.

This motion has passed the committee.

Voting in favor of this motion are:
Celeste Kelly, Susan Schroeder, Linda Gray, Margaret Abrahamson, Renea Dahms, Carol McQuade, Jan Wesen, Maria Kremers, Betty Mueller, Meghan Rosenstengel, Angela Rector, and Becky Parker.

Opposed: none Abstain: none Not voting were Craig Bohren and Anne Hershey.

This Motion, 8-09.

I, Margaret Abrahamson move, and seconded by Betty Mueller, to restate the following rule, 1.22 of the tracking regs, to add Show/conf rules to the Tracking regs.

It will read as

Section 1.22. Submission of records
After each ASCA® sanctioned event, the following must be sent to the ASCA® Business Office, postmarked no later than fifteen (15) days after the close of the test.

a.) all Judge's Books and charts/maps,

b.) a catalogue, or a typewritten listing of each entered dog and each alternate, and absent dogs, marked with all applicable awards/titles.

c.) the original ASCA® Official Entry Forms for all qualifiers,

d.) a Gross Receipts report,

e.) the Event Membership Dues

f.) and Sanction Grant.

The Tracking Test Secretary is responsible for filing all reports with appropriate fees to ASCA® after the test in a timely manner.

Penalty fee for non-compliance is available from the office for each day's delay, and such other penalties as may be imposed by the Board of Directors of ASCA®.
The club shall retain all other ASCA® official entry forms, (plus photocopies of the original entry forms listed above for qualifiers) for a period of one year from the date of any Tracking Test.

No entry may be changed or canceled unless notice of the change or cancellation is received in writing by the Tracking Test Secretary prior to the closing date for entries, except that a dog may be transferred from his current Test to another Tracking Test if the dog has completed the title for the Test he or she is entered, and if there is an available slot in another Test in which the entrant is qualified to run.

No dog wrongly entered in a Tracking Test may otherwise be transferred to another Tracking Test. Owners are responsible for errors in entry forms, regardless of who may make such errors. Allowances for refunds on cancellations will be left to the discretion of the Host Club.

Approve: Aufox, Berryessa, Davenport, Dolan, Gann, MacRoberts, McNamara Non-voting: Westerman
Motion is approved.

99:10 TRACKING COMMITTEE: MOTION 9-09: SECTION 1.20, JUDGING ASSIGNMENTS

Motion by Berryessa

Dissenting comments: Aufox: Under the rule - " In case an advertised Judge shall have judged part of the Tracks and then finds it impossible to finish, a substitute Judge shall be selected ... And his or her substitute shall judge only the remaining entries. No dogs entered under the regularly selected Judge shall be withheld from competition."

If the substitute has dogs entered in the competition handled by someone else and has not yet run, the judge will be allowed to judge his or her own dog.

I move we accept the following tracking motion in response to the previously cited directive.

This motion has passed the committee.
Voting in favor of this motion are:
Celeste Kelly, Susan Schroeder, Linda Gray, Margaret Abrahamson, Renea Dahms, Carol McQuade, Jan Wesen, Maria Kremers, Betty Mueller, Meghan Rosenstengel, Angela Rector, and Becky Parker.
Opposed: none Abstain: none. Not voting were Craig Bohren and Anne Hershey

This is Motion 9-09

I, Margaret Abrahamson, and seconded by Betty Mueller, move that we add the Show/conf. rules to the Tracking rules and change this section to read:

Section 1.20. Judging Assignments

ASCA® Judges and other persons whose qualifications meet the approval of ASCA® may be selected for judging Tracking Tests

Two Judges must judge each dog. The maximum number of dogs that two Judges may test at a Tracking Dog/TD Test or a Tracking Test Urban/ TDU Test (1-09) in one day is twelve (12). The maximum number of dogs two Judges may test at a Tracking test/TDX in one day is six (6).

When TD (and/or TDU) and TDX are offered on the same day, the maximum of dogs that two Judges may test in one day is based on a substitution factor of two TDs ( or two TDUs) for one TDX.
The Tracking Test Committee shall, in every instance, notify appointed judges of their assignments, and such notifications shall be given before the publication of the premium list except in situation as stated in Section 5.2-h.

ASCA® will NOT approve as Judge for any given Tracking Test the following:

a) the Tracking Test Secretary,
b) the Tracking Test Chairperson, or
c) any approved Tracking Judge while suspended from the privileges of ASCA®, the AKC, the CKC, the UKC or the sponsoring member Affiliate Club.

If it becomes necessary to replace an advertised Judge before any Tracking Test and no person on the ASCA® eligible judge's list is available to take his or her place, the Tracking Test Committee may select as a substitute for the advertised Judge, a person who is qualified under SECTION 7.1, SECTION 7.2.

A Tracking Test Committee which shall be informed at any time prior to twenty (20) days before the date of the Tracking Test that an advertised Judge will not fulfill his or her engagement to judge shall substitute a Judge in his or her place. Substitute Judges must be approved by the ASCA® Business Office, and the Club shall give notice of the name of the Substitute Judges to all those who entered dogs in the Tracking Test. All those who have entered dogs to be shown under the advertised Judge shall be permitted to withdraw their entries at any time prior to the close of entries and the entry fees paid for entering such dogs shall be refunded.

Should a Tracking Test Committee be informed at any time less than twenty (20) days before the date of the Tracking Test, that an advertised Judge will not fulfill his or her engagement to judge; it shall substitute a qualified judge in his or her place, and must attempt to obtain approval of the change from the ASCA® Business Office. No notice need be sent to those exhibitors who have entered dogs under the advertised judge. The Tracking Test Committee will be responsible for having a notice posted in a prominent place within the show grounds if the Tracking Test is held in conjunction with a Specialty as soon after the show opens as is practical, informing exhibitors of the change in Judges.

In case an advertised Judge shall have judged part of the Tracks and then finds it impossible to finish, a substitute Judge shall be selected by the Tracking Committee, and in that event the awards made by the regular Judge shall stand, and his or her substitute shall judge only the remaining entries. No dogs entered under the regularly selected Judge shall be withheld from competition.

A substitute Judge shall finish the judging of the dog/handler team he or she is judging if he or she has begun to judge before the advertised Judge arrives at the show.

No judging shall occur at any Tracking Test prior to the time specified in the judging schedule.

Each Judge must be supplied with the Judge's Book in which he or she shall mark all awards and all absent dogs. If a Judge disqualifies a dog at any Tracking Test, he or she shall make a note in the Judge's Book giving his or her reasons for such disqualification. The Tracking Test Secretary will acknowledge to the ASCA® Business Office the name of the disqualified dog, the ASCA® registration number and owners name and address.

The Tracking Test Committee shall decide all other matters arising at the test, including protests against dogs
