Entry fees will not be refunded if the dog is absent, disqualified, excused or barred from competition by the Trial Committee, ASCA, the Host, veterinarian, Course Director, livestock provider, or stockdog judge.

SUBSTITUTIONS: Substitutions are allowed by owner/handler.

Any change requests, including substitutions, must be submitted to the CD or trial secretary in writing no later than the evening before the trial. You may only substitute your runs with dogs you own or co-own, after the closing date is reached. **\$10 fee per dog for changes or substitutions day of trial.**

Bitches in season may be substituted but will run in order and must be crated when not competing.

MOVE-UPS: No charge for move-ups. All move-ups **must** be handled by the course director, prior to the start of the trial, no exceptions.

Stock trials will run concurrently. Each class of stock for the first trial will be completed before the same class of stock for second trial begins. For example, cattle from the first trial will be complete before cattle for the second trial begins. Ducks for the first trial might be running at the same time as cattle for the second trial. Then the second duck trial might be running at the same time as the first sheep trial.

We make every effort to keep both arenas running efficiently and that requires your cooperation. If you need to know whether your first run qualified to move up for the second trial, please see the course director, not the judge.

Exhibitors are responsible for any injuries to livestock. Owners/Handler of dogs will be held responsible for all injuries to livestock during their runs. Replacement costs are: \$45.00 per duck, \$200 per sheep, and market price on cattle unless posted otherwise at time of trial.

AWARDS: Each trial: Class placement ribbons 1st - 4th and qualifying scores ribbons will be awarded. Awards for HIT for each class of stock each trial and special Jr. awards will be offered.

Special Classic Weekend Awards

Please mark on your entry form if you will be competing for these awards. Must run in all 6 trials in all classes of stock to be eligible for HC and MPS awards.

High Combined WTCH Aussie: Highest combined score to the Aussie that begins the trial with the WTCH title.

High Combined Non-WTCH Aussie: Highest combined score to the Aussie that begins the trials not having earned the WTCH title. Scores may be earned in the Open and/or Advanced divisions.

Most Promising Started Aussie: **Highest combined total of the top 2 scores from each class of stock from the Started division.

High Combined Other Breed: Highest combined score from any division. Must run in all classes of stock in all 6 trials to be eligible.

****Note:** We use only the two highest started scores for each class of stock- ducks, sheep and cattle, to compute the combined score. This provides the opportunity for dogs to move up to open after two qualifying runs if the handler wishes to do so. However, if the handler of a started Aussie wishes to compete for the High Combined Aussie Non-WTCH award (instead of the Most Promising Started Aussie award), that intention must be declared before the start of the trials on Saturday.

HOLD HARMLESS: The Trial Committee, Members of WASCOF GA, and the owners of the host facility, Raymond Quinn, Tony Padgett, Donna Padgett, Coosawattee Farm and its associates, assume no responsibility for any loss, damage or injury sustained by any exhibitor, handler, dog, property, child or spectator. You understand by your attendance and/or entry that the Show/Trial Committee and Hosts have the right to refuse or excuse any entry or spectator for good cause. ➤ FREQUENTLY ASKED QUESTIONS ◀

Do I have to have a tracking number to compete?

No, you do not need a tracking number in order to compete in Agility or Stock.

You will need a tracking number to enter an Obedience trial or Tracking Test.

Your dog does not have to be a purebred to receive a tracking number from ASCA®.

Why would I need or want a tracking number for my dog?

If you would like to have your dog's points and titles recorded by ASCA®, and if you'd like to receive title certificates in the mail for your accomplishments, you might want to obtain a tracking number.

How much is the total cost for a tracking number?

In order to obtain a tracking number for your dog, you must be at least a "Service" member. The cost for Service Membership is **\$10**.

- Your membership is good for one year; however, it does not need to be maintained in subsequent years, unless you want to obtain another tracking number for another dog after your membership has expired.

This membership fee is **in addition** to the tracking fee of **\$10** per dog. A tracking number is good for the lifetime of the dog. If you only have one dog, the total cost would be **\$20**. For two dogs, the cost would be **\$30**, etc.
