Other Important Info

Catalogs/Run Orders: No catalogs will be printed. Running orders will be posted at the gate. Handlers with multiple dogs will be separated as much as possible.

Move-Ups: All move-up requests must be received by the trial secretary before April 23, 2018. Day-to-day move-ups will be accepted. All move-ups for Sunday must be received by the Trial Secretary by the end of the trial on Saturday.

FEO (For Exhibition Only): We will accept FEO entries. FEO entries may jump any jump height but will not be eligible for any prizes or awards.

Minimum age permitted is 15 months. Any dog younger than 18 months must jump at a lower height than their regular jump height. This is a non-qualifying division.

Trial Site Information: The trial will be one ring, 81'x 104'. Equipment may include the following: Dog Walk, A-Frame, Teeter, Open Tunnel, Tire Jump (displaceable), Weave Poles (24" spacing), Non-Winged Single Hurdles, Winged Single Hurdles, and Double Bar Hurdle. All contacts have rubber surfaces. Dog Walk and A-Frame will be slatted.

Food: There is no food available for purchase onsite. Drinks, snacks and lunch will be provided for workers (so please volunteer!). Restaurants are located on Randall Road, approximately 10 minutes from the trial site.

Timing: Electronic timing will be used.

Prizes and Awards: ARFASC will award ribbons for 1st through 4th places and green ribbons to each qualifying score. Dogs that complete an ATCh at our trial will receive a rosette and jump bar. Please let us know if you may earn an ATCh during our trial weekend.

High in Trial Awards (HIT): HIT Aussie and HIT Other Breed awards will be presented at the end of the trial on Sunday. Dogs must have an ASCA registration/Qtracking number and compete in the Championship program to be eligible for HIT awards.

HIT calculations are based on scores from Jumpers/Gamblers/Regular. HIT Aussie and HIT Other Breed will be based on the total Q points for that dog. Points for HIT will be calculated as follows: Elite Q - 7 pts, Open Q - 6 pts, Novice Q - 5 pts. Each faulted Q run in Regular shall be given one-half the value of the equivalent level HITQ points. In the event of a tie, dog with the fastest combined Regular YPS will be the winner.

ARFASC Agility Dog of the Year

ARFASC will be presenting overall 2018 Agility Dog of the Year awards to one Aussie team and one Other Breed team. The results will be based on the results across all of our trials and will be determined following our Dec 15-16, 2018 trial. The calculation for these awards will be the same as for

each trial's HIT but will be accumulated throughout the year. As with our HIT awards, dogs must have an ASCA registration/Qtracking number and compete in the Championship program to be eligible for these awards.

Workers: No club can pull off a trial without the help of members and exhibitors to keep it running smoothly and efficiently. Your help is greatly appreciated. Volunteers will be provided lunch, snacks & drinks. We will have a sign-up board near the ring where you can sign-up for the worker positions that you prefer. We will also be glad to train those who are not familiar with the needed positions.

New to ASCA Agility?

- The Australian Shepherd Club of America (ASCA), the largest single-breed registry in the world, welcomes dogs of all breeds and mixes to compete in ASCA-sanctioned agility trials.
- Dogs do not have to have an ASCA registration or Qtracking number to participate. If your dog is not an ASCA-registered Australian Shepherd and you would like to earn titles, all you need is an ASCA Qtracking number (available for any breed or mix).
- Courses are open and flowing with reasonable course times.
- Training in the ring is allowed. No food or toys are allowed in the ring but you can work on whatever you want up to SCT.
- Jumpers courses have no weaves.

You may enter any level you wish, with Qs being recorded down to your actual level (e.g. you could enter Elite even if it's your first trial and any earned legs will be credited to your Novice title). This primarily allows experienced dogs who are new to ASCA to be more challenged on course. It also allows handlers who don't wish to do the 6 weave poles on a Novice course to enter Open or Elite. (Note: Once a leg is earned at a higher level, you can't move back to a lower level in that class.)

Still have questions? Please let us know: ARFASC@aol.com

Titling Class Descriptions:

Regular – The Regular class contains all the agility obstacles. There is a specified course that the dog must follow. Faults can be incurred for things such as knocked bars, missed contacts and wrong courses. A clean run earns a 10 point Q. A run with 5 or fewer faults will earn a 5 point Q. 30 points are required to title at each level.

Jumpers – The Jumpers class contains jumps (and sometimes tunnels). There is a specified course that the dog must follow. Faults can be incurred for things such as wrong courses or knocked bars. A clean run earns a dog a qualifying score. Two qualifying scores are required to title at each level.

Gamblers – A two-part game where the handler guides the dog through a course of the handler's choosing in an attempt to earn points during the opening period. At the end of the opening period, the handler directs the dog to the 'gamble area'. The handler will direct the dog to perform the gamble obstacles without crossing the 'gamble line'. A dog must earn the minimum number of opening points in addition to performing the gamble successfully in order to earn a qualifying score. Two qualifying scores are required to title at each level.

For complete rules, please refer to the ASCA Agility rulebook at www.asca.org.

Measuring - Dogs with a wither height of 20" or less will need show proof of measurement (ASCA, AKC or NADAC height card) or be measured at the trial, unless they are jumping in the highest jump height in that category/division.
