Dogs are not required to have an ASCA registration, LEP or tracking number to enter this trial. Handlers do not need to be ASCA members. **However, ASCA requires registration of all non-ASCA registered dogs in order to track and record these dogs for ASCA titles.** If you wish to continue to have your qualifying scores recorded and receive ASCA titling certificates, you must register your dog and become a service member of ASCA at the time of registration. Forms will be available at the trial, as well as included in this premium and on the ASCA website, www.asca.org.

The management will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of its owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the show committee be asked to leave the site. In such case, no entry fees will be refunded.

No entry shall be accepted for a dog or handler disqualified from the ASCA agility program; a dog or handler disqualified from all ASCA programs or a member not in good standing with ASCA. A list of such dogs will be supplied by the business office along with the sanctioning paperwork.

Dogs must be on leash when not competing in the ring. Please clean up after yourself and your dog.

No entry will be refunded if the trial cannot open or be completed by reason of riot, civil disobedience, fire, public emergency, act of God or act of a public enemy or any other cause beyond the control of the organizing committee.

There will be no refunds for entries withdrawn after the closing date, or in the event a dog and/or handler are dismissed from competition, regardless for the reason for the dismissal. Refunds will be issued for bitches that come in season, if notification in writing or by email is received before the trial begins. Refund of entry fees after the closing date for ill/injured dogs will be given less a \$10.00 administrative fee; with verification from vet on request.

Returned checks do not constitute a valid entry. There will be a \$30.00 service charge for returned checks.

No leads, collars, food, toys, other aids or devices will be permitted on the course, no food or toys within 10 feet of the rings at any time.

Any dog which demonstrates aggression towards any person or any dog, whether inside or outside the ring, must be excused from the trial. Any dog which the judge feels is not in enough control to perform all obstacles in a safe manner will be excused from the trial.

About ASCA agility

ASCA courses are fun, flowing and fast! There are no run outs or refusals called, however course times are a bit faster. An off course is not allowed at any level. You must have 20 pts (2 clean legs) for gamblers and jumpers titles. Regular requires 30 points, however in regular only, a 5 pt Q can be earned if the dog is either 5 seconds or less over time or has one knocked bar.

Dog's run naked (no collar) in ASCA, jumpers has no weave poles and the gamble is a typical gamble with an opening period to accumulate points then the distance portion of the class. For Exhibition Only (FEO) entries are allowed, however no qualifying legs are awarded. Dogs do not have to have an ASCA number or QT number to enter, however legs and titles will not be recorded or awarded without one or the other. QT number application included in this premium and may be applied for at time of entry. Training in the ring is allowed up to Standard Course time, however no food or toys can be used (i.e. contacts can be repeated, start line stays worked on etc). You may enter at a higher level, however upper level Q's will first satisfy the lower level titles. ACE division is similar to AKC Preferred and USDAA Performance, dogs of any age can jump one height lower, ACE senior allows dog 10 and over to jump two heights lower than their Standard jump height.

We strive to have fun and hope that even if you didn't qualify as much as you hoped, you still had a good time!
