ASCA agility- fast, flowing, and fun!

Australian Shepherd Club of America (ASCA) agility offers 3 classes:

- **Regular:** Obstacles may include jumps, tire, tunnels, teeter, A-frame, dog walk, and weave poles (6 for novice; 12 for open and elite). There is no table. Complete the numbered course accurately and within time.
- **Gamblers:** Accumulate points for 30 seconds by completing the above obstacles in a course of your choosing; when the buzzer sounds, complete a numbered gamble of 4-5 obstacles from a distance.
- **Jumpers:** Complete a numbered course of jumps and tunnels accurately and within time. There are no weave poles in jumpers.

Any dog can enter ASCA agility: ASCA agility is open to all breeds and mixes 18 months or older. Dogs 15 months or older can enter FEO (for exhibition only) and jump a lower height. No points for titles in this division. You don't have to register with ASCA. But if you apply for a QT number, ASCA will keep track of your qualifying scores and titles.

You can start at any level: Qualifying scores will first be applied to titles for lower classes skipped. If you qualify at a higher level, you cannot go back to a lower level.

Training in the ring is allowed: You will be eliminated but have standard course time to repeat contacts, etc. No treats or toys allowed in the ring.

Refusals are not faulted: If your dog misses the obstacle or balks, you can try again and might still qualify.

ASCA programs of competition: Championship and ACE

- **Championship** – ASCA's traditional competing class.
 - **Veteran** dogs ≥ 7 years old jump 4" lower
 - **Junior** Handlers ≤ 17 years old may jump their dogs 4" lower
- **ACE** – ASCA's lower height class. Dogs jump 4" lower
 - **ACE Senior** dogs ≥ 10 years old jump 8" lower

See page 2 for a chart of what heights dogs will jump for these classes.

You could get a title!

- For Jumpers and Gamblers titles, you need 20 points (2 clean runs).
- For a Regular title, you need 30 points (3 clean runs).

Notice to exhibitors

- This trial is open to all dogs being at least eighteen (18) months of age, including purebred and non-purebred, except bitches in season, dogs suffering from any deformity, injury or illness that may affect the dog's mental or physical performance or dogs exhibiting any signs of aggression toward people or other dogs.
- Dogs are not required to have an ASCA registration, LEP, or QT number to enter this trial. Handlers do not need to be ASCA members. However, ASCA requires registration of all non-ASCA registered dogs to track and record these dogs for ASCA titles. If you wish to have your qualifying scores recorded and receive ASCA titling certificates, you must register your dog and become a service member of ASCA at the time of registration. Forms will be available at the trial, as well as included in this premium and on the ASCA website, www.asca.org.
- The management will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of its owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the show committee be asked to leave the site. In such case, no entry fees will be refunded.
- No entry shall be accepted for a dog or handler disqualified from the ASCA agility program, a dog or handler disqualified from all ASCA programs, or a member not in good standing with ASCA. A list of such dogs will be supplied by the business office along with the sanctioning paperwork.
- Dogs must be on leash when not competing in the ring. Please clean up after yourself and your dog.
- No entry will be refunded if the trial cannot open or be completed by reason of riot, civil disobedience, fire, public emergency, act of God or act of a public enemy or any other cause beyond the control of the organizing committee.
- There will be no refunds for entries withdrawn after the closing date, or in the event a dog and/or handler are dismissed from competition, regardless for the reason for the dismissal. Refunds will be issued for injured dogs or bitches that come in season, if notification in writing or by email is received before the trial begins. A note from a veterinarian may be requested.
- Returned checks do not constitute a valid entry and will be charged a \$30.00 fee.
- **No food, toys, other aids or devices allowed on the course or within 10 feet of the rings at any time. Dogs must run naked – no collars allowed.**
- Any dog showing aggression towards any person or any dog, whether inside or outside the ring, must be excused from the trial. Any dog which the judge feels is not in enough control to perform all obstacles safely will be excused from the trial.

FREQUENTLY ASKED QUESTIONS

Do I have to have a QT number to compete?

- You do not need a QT number in order to compete in Agility or Stock, unless you want to earn ASCA titles.
- You will need a QT number to enter an Obedience Trial, Rally Trial, or Tracking Test.
- Your dog does not have to be a purebred to receive a QT number from ASCA.

Why would I need or want a QT number for my dog?

If you would like your dog's points recorded by ASCA, and receive title certificates in the mail for your accomplishments, you will need to obtain a QT number.

What is the total cost for a QT number?

In order to obtain a QT number for your dog, you must be a member. The cost for a basic Service Membership is **\$10 per owner** if not already a current member.

- Your membership is good for one year and does not need to be renewed unless you want to obtain another QT number for another dog after your membership has expired.

This membership fee is in addition to the QT number fee of **\$10** per dog.

A QT number is good for the lifetime of the dog. If you only have one dog, the total cost would be **\$20**. For two dogs, the cost would be **\$30**, etc.
