Rescue Grant Application

The Australian Shepherd Club of America is committed to improving the lives of Australian Shepherds in rescue through a grant program. Eligible organizations must be tax exempt, 501(c)(3), organizations whose purpose is to rescue primarily, but not exclusively, Australian Shepherds.

The maximum award, per organization, is **\$500** per year.

Although we want to help every qualified organization, our resources are limited. As a result, our grant program is competitive, and the organization must provide a specific need for an award.
