Notice to Exhibitors
These shows will be judged and run by the Show Rules of the Australian Shepherd Club of America. All dogs, six months or older must have an ASCA Registration Number or ASCA Tracking Number (for Agility, Obedience or Rally) in order to compete and earn titles in ANY venue (please have a copy of this number available at the show.) This includes purebred and non-purebred, except bitches in season, dogs suffering from any deformity, injury or illness that may affect the dog’s mental or physical performance or dogs exhibiting any signs of aggression toward people or other dogs. As of January 1, 2003, ASCA requires registration of all non-ASCA registered dogs in order to track and record these dogs for ASCA titles. To have your qualifying scores recorded and receive ASCA titling certificates, you must register your dog and become a service member of ASCA at the time of registration. Forms will be available at the registration table and at www.asca.org the ASCA website. The management will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of its owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the show committee be asked to leave the site. In such case, no entry fees will be refunded. No entry shall be accepted for a dog or handler disqualified from ASCA Rally programs; a dog or handler disqualified from all other ASCA programs or a member not in good standing with ASCA. A list of such dogs will be supplied by the business office along with the sanctioning paperwork. Dogs must be on leash when not competing in the ring. Please clean up after yourself and your dog. No entry will be refunded if the trial cannot open or be completed by reason of riot, civil disobedience, fire, public emergency, act of God or act of a public enemy or any other cause beyond the control of the organizing committee, except as noted above. There will be no refunds for entries withdrawn after the closing date, or in the event a dog and/or handler are dismissed from competition, regardless for the reason for the dismissal. Refunds will be issued for bitches that come in season, if notification in writing or by email is received before the trial begins. Returned checks do not constitute a valid entry. There will be a $30.00 service charge for returned checks. Any dog which demonstrates aggression towards any person or any dog, whether inside or outside the ring, must be excused from the trial. Any dog which the judge feels is not in enough control to perform the course in a safe manner will be excused from the trial.

**RALLY EXHIBITORS***

Do I have to have a QT number to compete?

• You do not need a QT number to enter an obedience trial, rally, or stock or UAD events, unless you want to earn ASCA titles.

Why would I need or want a QT number for my dog?

What is the total cost for a QT number?

In order to obtain a QT number for your dog, you must be a member. The cost for a basic Service Membership is $10 per person if not already a current member.

• Your membership is good for one year and does not need to be renewed unless you want to obtain another QT number for another dog after your membership has expired.

• A QT number is good for the lifetime of the dog. If you only have one dog, the total cost would be $20. For two dogs, the cost would be $30, etc.
