DONATIONS INFORMATION

Did you know that ASCA is financially responsible for the costs associated with hosting the Stock, Agility, Obedience, Conformation, and Junior Finals held at the Nationals each year?

Affiliate clubs and ASCA members can make donations to the National Finals to help defray the cost. When your club finds itself with a few dollars left from hosting an event (or perhaps your club could hold a raffle to make a donation), just send a check to the ASCA Business Office with a notation stating that it is to be used for the ASCA (venue) Finals and we will ensure that is where the money is used. Your club can also donate to the ASCA Foundation this way and again you can specify what the money is to be used for.

Thank you in advance for your cooperation!
