I, the undersigned member of the Australian Shepherd Club of America (ASCA), consistent with the Privacy Policy of Paw Prints Genetics, hereby designate ASCA as an additional contact on my Paw Prints Genetics account for the dogs listed below. I consent to Paw Prints Genetics sharing all related information with ASCA, for purposes among which are documenting parentage, attempting to resolve related disputes, and responding to third party requests (e.g., subpoenas and court orders) that may be part of efforts to resolve related disputes. ASCA retains the right to make requests to Paw Print Genetics to use my DNA samples to verify, examine, or authenticate identity, parentage or lineage. Any additional costs for ASCA-requested analyses would be paid for by ASCA. I acknowledge that this consent does not make ASCA an owner/custodian of related DNA and test results.

**Please submit this form with each sample ordered for DNA profiling for parentage verification. Be sure to place your order at [www.pawprintgenetics.com](http://www.pawprintgenetics.com) prior to sending your samples.**
